Appeal of SLD Decision

Ref: CC Docket Nos. 96-45 and 97-21

On August 8, I sent the attached letter of appeal to the Schools and Libraries Corporation, attaching evidence that I had filed my Forms 471 within the designated window.

I received a denial of this appeal, giving as a reason that the SLD was not authorized to consider a request to waive the application window deadline. I am enclosing a copy of that denial letter.

As you can see by the original appeal, I was not asking to waive the application window deadline. Instead, I was offering evidence that I had met that deadline by providing copies of signed receipts for these submissions sent via certified mail.

I submit that by submitting all required forms on time, via certified mail, and maintaining proper evidence of receipts, that I have done everything possible to ensure the district's eligibility for these funds. It appears that we are now being made to suffer for the administrative error on the part of the SLD. This is clearly not in keeping with the spirit and intent of the Universal Fund.

I request your review and favorable consideration of this appeal.

Form 471 application #: 230516
Billed Entity Number: 137619

Explanation

I received a pink post card on August 7, 2001 notifying me that my Form 471 was received after the filing deadline of January 18, 2001. A copy of this notification is included as Tab A.

I phoned the SLD and explained that I had sent this Form 471 in January via certified mail, and I had a receipt signed by "NCS Pearson Agent" that indicates the form was received by SLD on January 10, 2001. A copy of that receipt is included as Tab B.

I was told by Josh that my application was probably put in the wrong pile, and that I should write a letter of appeal with this supporting documentation.

Outcome requested:

I request that this application for Internet Services be reinstated as properly received within the published filing window.
